Experience  here

Ismakina is the **permanent address of experience, quality, innovation and customer satisfaction**. Ismakina, a leading manufacturer of heated radiators and chrome and powder coating industry with **35 years** of experience and excitement on the first day, continues to grow and strengthen with its customers with **high-quality standards**, innovation and customer satisfaction-oriented production that brought to the radiator sector. Making possible the production of impossible to produce radiators, performing the impossible, solution-oriented, production understanding that prioritizing to **100% customer satisfaction** by strengthening its position a little more every day, Ispan brand is taking **confident, strong** and firm steps towards its goal of becoming **Europe's number one** radiator and towel rail company. Ismakina, which adopts **perfection** in **fast** and **reliable** service with its **pre-and post-sales solution-oriented**, business approach, shapes the trends in the sector with its pioneering and innovative stance and gives direction to expectations. Turkey's leading manufacturer of heating products Ismakina is **proud** of its corporate structure as well as being a giant family company with **400 staff**. It shapes tomorrow with its **3 factories**,

50.000 square meters of production line, **1.000.000 units** of towel rail and radiator production capacity per year, nearly **200 suppliers** with its investments that continues to make non-stop. Ismakina, produces all radiators comply with **EN-442 standards**, besides having **ISO 9001-2015 quality management system**, supported by a certified occupational safety specialist, fulfil legal obligations and serves with its environmentally friendly management staff with **ISO 14001 standards**. Ismakina, which produces **100% export-oriented production**, will continue to be the leading name of the sector with its **endless energy**, as well as being the most admired and preferred towel manufacturer of Europe and the world's elite building markets with Ispan brand. Because, as it has been for **35 years, today and tomorrow;**

Experience is here

Quality is here

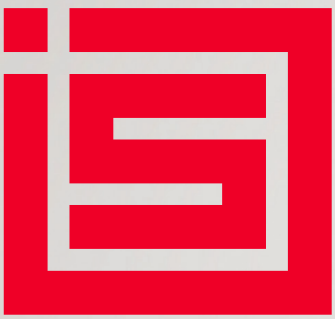

Trust is here

Design is here

100% customer satisfaction is here.
